

# Haddon W. Robinson Chair

## Biblical Preaching

Denver Seminary is building a transformational global community in partnership with the church to equip leaders for the 21st century to think biblically, live faithfully and lead wisely for a lifetime.

Dr. Haddon W. Robinson became Denver Seminary's third president in 1979, and through his direction, saw the Seminary quickly expand. Dr. Robinson served not only as president, but also as a faculty member until 1992. During his tenure here, he became known as one of the most gifted preachers and communicators in the country. Through the completion of the Haddon W. Robinson Chair, Denver Seminary seeks to continue the legacy of Dr. Robinson by recognizing outstanding teachers or scholars in the area of preaching and thereby solidify the high caliber and reputation of homiletics at Denver Seminary.

The professor selected to occupy this chair will carry the torch of this former president and faculty member and be chosen to exemplify the qualities that best describe Dr. Robinson. This professor's time will be focused on research and teaching in the area of homiletics, working with both current students and graduates. Dr. Robinson advocated the importance of preaching and communication, saying that "a power comes through the word preached that even the inerrant written word cannot replace." Community leaders from Colorado, across the country and around the world, have been impacted through Dr. Robinson's leadership and teaching. This chair seeks to perpetuate that legacy.

The Haddon W. Robinson Chair was launched by Dr. Elias Husni, a medical doctor and one of the many community leaders formed spiritually in part by Dr. Haddon Robinson. We are excited that we have received pledges to help us reach the \$2 million goal for this fund. As many friends of Denver Seminary have been impacted by the biblical preaching of Dr. Robinson, we continue to invite those friends to make gifts to this fund until the outstanding pledges are completed. Gifts to endowed chairs like this one provide for the salary and benefits of faculty members. If you would like to give to the Haddon W. Robinson Chair or learn more about endowment giving opportunities, please contact Brian Fort at 303-762-6924 or [brian.fort@denverseminary.edu](mailto:brian.fort@denverseminary.edu).

“Biblical preaching, therefore, must not be equated with ‘the old, old story of Jesus and His love’ as though it were retelling history about better times when God was alive and well. Nor is preaching merely a rehash of ideas about God – orthodox, but removed from life. Through the preaching of Scriptures, God encounters men and women to bring them to salvation (2 Tim 3:15) and to richness of Christian character (2 Tim 3:16-17).”

-Haddon W. Robinson
